We will make Rheumatic Cripples walk in 9 days. The Blind to see, if cure can be made, in 60 to 120 days. The Deaf to hear in 30 to 60 days.

Liquor habit cured in 3 to 60 days, FOREVER.

DEBILITY in Men and Women Cured in 60 to 120 days, FOREVER.

BLIND AND BLEEDING EYES Cured in 30 to 60 days.

MEN AND WOMEN:—This is a very strong statement to make. The ordinary Healers would make no such broad claims for the simple reason that they never could support such a statement, but we can. (NO CURE, NO PAY.)

We are something more than a healer, and we have brought about remarkable results in a great many serious cases of many diseases which have been given up by some of our best healers.

We cure by means of that all-powerful disease conquering science, PSYCHO-MENTO-MAGNETIC THERAPY.

It is the most progressive science of the age today, and as far as we have been able to learn, we are the only ones in this country now using it. It has been in use in the far East with most astonishing results.

Men, Women and Children suffering with whatever disease, may come to us and absolutely and unqualifiedly expect to be cured. As we have said before, without medicines, without instruments, without an operation and without any external applications WHATEVER. Even what is considered by modern physicians in this country as incurable diseases.

Including Locomotor Ataxia we have positively cured in a very short space of time. It does not matter to us from what you suffer, we treat Nervous Prostration, Kidney, Bladder and Liver Troubles, Rheumatism, Fits, Locomotor Ataxia, Paralysis and all other Physical and Mental Disorders.

Particularly if you have consulted physician after physician and spent a good many dollars in an effort to be cured, do not hesitate another day, but come now and see us and consult with us, and we will convince you within the first few minutes that we can and will cure you. Just as we have said above, whatever your sickness or trouble, we will advise you without any charge or obligation. You may either call on us in person, or if you live out of town, write to us at once for full particulars. CONSULTATION AND ADVICE FREE.

Remember our Guarantee, NO CURE, NO PAY.

MONUMENTAL TALKS.

The agent for non-resident firms tells you what bargains he is furnishing in monuments now in some way he is saving a deal of freight selling work a wholesale, owning large manufacturing plants, and possibly owns a quarry or two.

But possibly he forgets to tell you what commission or salary he is getting for selling work, what his traveling expenses are per month; also that he would be of no use to the firm he works for unless he made them a profit in addition to these extra expenses; that in any saving of freight or some other expense it is the local dealer who has the advantage; that the best satisfaction and best terms in buying monuments are obtained from buying direct from some reliable dealer and not through agents; that the best work is not obtained from the "cheap John" talker; and cheap work is dear at any price.

We do not employ agents. Cramer's monuments are dependable in every way. Give us a chance to show you what he can do, then if for any reason you do not think to your best interests to patronize the home dealer we will be glad to give you the names of other reliable dealers. It is not necessary to buy through agents and pay the extra salary or commission.

SUDDEN DEATHS

Two sudden deaths took place within a week of each other in the country southeast of Monett.

Last Saturday Mrs. Crouch, wife of Rev. Crouch died suddenly, her death being caused from a bursted blood vessel in the head. The funeral was held at Little Flat by Rev. Whittington, and interment was made in Calton cemetery.

Tuesday the six-months-old child of Mr. and Mrs. E. E. Eagle was found dead in its carriage. The child had been in apparently good health and Mr. Eagle played with the baby a few minutes and went out to his work. In a short time the baby was found with its head turned downward and to one side lifeless. A physician was called but nothing could be done. It is not known what caused its death.

The funeral was held Wednesday by Rev. Kennedy and interment was made in the Calton cemetery.

The great thing in the world is not so much where we are, as in what direction we are moving.

He that would fight the devil with his own weapons must not wonder if he finds himself overmatched.

The old fashioned way of dosing a weak stomach, or stimulating the Heart or Kidneys is all wrong. Dr. Shoop first pointed out this error. This is why his prescription—Dr. Shoop's Restorative—is directed entirely to the cause of these ailments—the weak inside or controlling nerve. When these nerves fail, then those organs must surely falter. These vital truths are leading druggists everywhere to dispense and recommend Dr. Shoop's Restorative. Test it a few days, and see! Improvement will promptly and surely follow. Sold by all dealers.

PAIN

Pain in the head—pain anywhere has its cause. Pain is congestion, pain is blood pressure—nothing else really. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablet—coaxes blood pressure away from the congested arteries, and the blood circulates gently through the body, and the blood circulates gently.

If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood congestion—blood pressure. That simple is a certainty, for Dr. Shoop's Headache Tablet stops it in 20 minutes, and the tablets simply disperse the congested blood pressure.

Gruse your finger, and doesn't it get red, and swell, and pain you? Of course it does. It's congestion, blood pressure. You'll find it where pain is—always. It's simply common sense.
